

NEVADA INSTITUTE OF CHILDREN'S RESEARCH AND POLICY  
IN PARTNERSHIP WITH CLARK COUNTY SCHOOL DISTRICT

## THE 13TH ANNUAL KINDERGARTEN HEALTH SURVEY IS ONLINE!

To help best determine the health and wellness needs of students and families as they enter the school, a survey has been distributed to parents of children entering kindergarten for the past 12 years by school teachers and administrators.

**Due to COVID-19, the KHS will be administered online instead of paper!**

Parents please take a few minutes to complete this brief, VOLUNTARY survey about your child(ren) in kindergarten.
